Hello fellow MSCC members. How about the Cruisin the Coast event 12 October with lunch at the Blow Fly Inn? The drive was great and the fellowship was outstanding as usual. Kirby and Janie did a great job leading the drive and getting us there in time. We had a little over 20 folks for lunch including those that had come down earlier. We have our November drive coming up on 23 November with a drive to the Dinner Bell in McComb and during December we have the Madison Christmas Parade as well as our club Christmas Party. Jim and Shirley Hall will be hosting it this year in their home in Richland, MS. We will be having the Dirty Santa this year so be thinking of a gift worth at least $25 to participate and it does not have to be car related.

During our December meeting we will be holding our annual election of club officers so if you are interested in one of the positions do not hesitate to let it be known. April is currently looking at places to meet and of course eat for next year so let her know if you have any place different. It needs to be a place that has an area away from the main dining area (preferably a separate room) so we can conduct our meeting.

Bill Franks has been working diligently on getting bids together for building our new web site. We have gotten three so far and everything looks promising. Bill, Tom Gerity and I will be meeting with them as we are available to ensure the club gets the best bang for the buck and receives the type of web site that represents what a good club we have.

We will have our first C7 in the club within the next few days. Dale Smith at Rogers Dabbs Chevrolet in Brandon, MS just took delivery of his new Machine Silver Stingray. He emailed me and said he would be joining the club within the week.

We need to continue to turn up the volume on our Corvette car tags and get them sold so we can have them by next fall. Getting out there and marketing/selling the Corvette tag needs be one of our highest priorities. They are still coming in but at a very slow rate. Time is running out on us. We had one member turn in 38 at the last meeting so it can be done.

Whoever said “Money cannot buy happiness”, never owned a Corvette.”
Happy Birthday!

The new MS Corvette Club Trailer:
HAPPY 50th ANNIVERSARY

Larry and Judy, we celebrate your 50th,
and hope you make it to the 60th.

Larry, you are so funny,
we never know if you are serious or just think we are dummies.

Judy and Kirby friends since birth,
so I guess that makes them older than dirt.

Your children are grown, without a doubt,
they probably wish you would go to the house.

Grandchildren, all girls, so sweet and fine,
I know sometimes they think you have lost your mind.

Corvette rides and Corvette shows,
our friendship has grown, as we very well know.

Judy, a few drinks and few laughs,
we were on the floor with our glass.

We are glad that 50 rolled around,
before we all were placed in the ground.

All kidding aside,
Congrats to you !
may God bless you in whatever you do.

Enjoy this day and those thereafter,
fill your heart with lots of love and laughter.

Happy Anniversary our good friends,
let’s continue to remain that way until the very end.

Our Love, Congratulations and Best Wishes !
Kirby and Janie Wilson
